

Remarks/Arguments

In an Office Action dated November 14, 2006, claims 5 and 54 were rejected. Claims 55-57 were objected to. The remaining pending claims were allowed. Applicants have cancelled claims 5 and 54 and amended claims 55 and 56 to independent form. Applicants submit that this places the case in allowable status.

Applicants are concurrently filing a continuation application including claims 5 and 54 to continue prosecution on those claims as Applicants continue to believe that the Office Action rejections are erroneous but wish to get the allowed claims to issuance.

Conclusion

Applicants submit that claims 3, 7-11, 13, 18, 23-36, 38-53 and 55-57 are allowable.

Respectfully submitted,
